Biography of creator Per Olin:

Born and raised in Lund, Sweden. Studied 3D graphics at the Nordic School Of Set Design, Skelleftea, Sweden 1998-1999. Taught art, computer graphics and multimedia at high school and university level during year 2000. 3D animation studies at the Santa Monica College, USA 2001-2002. Currently working as a freelance artist in Los Angeles.

Story synopsis:

A man is riding his motorcycle through the desert. All of a sudden he has an accident and the outcome is horrific, but the story doesn't end there. A mysterious man shows up and bizarre, twisted things happen.

Total length with titles: Approximately 2 min 30 sec

Total length without titles: Approximately 2 min
